

2024-2025 BEST TOUR PUGLIA --- TOUR POLICY

Most medieval towns were built as hilltop fortifications. Tour activities involve a few hours each day on your feet, as well as uphill walks and steps, especially in Matera and Ostuni. Our tours are not well-suited for anyone with knee, back and heart problems or those who cannot manage steps and moderate inclines. While age is not important, fullest tour participation requires that you are reasonably fit and a good walker. If you have mobility issues, please do call us. We will do our best to accommodate everyone, including offering alternative arrangements when possible.

TOUR PRICE GUARANTEE

Our recommended tours and dates, as listed in our web site, are guaranteed at the price listed.
